Brake Pads Rear					
Model	Type	Year	Oe Ref	Art No	
V70III S80II XC70II XC60	For electrical handbrake 16" wheels Ventilated & Solid disc When changing rear brake pads (if you have electrical parking brake) you need to disconnect the unit from the rear calipers (2 bolts/each side). Once off use a torx 40 bit to screw back the parking brake spindle by turning clockwise until it stops. Then you can compress the main brake piston.	2008-13 2007-13 2008-13 2009-	30671575	51431575
