DETAILING

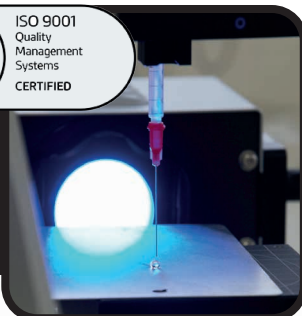

Tetrosyl has been at the forefront of the car care industry since 1954 and is now the largest manufacturer and supplier of car care products in Europe, whilst also extending its global reach to over 100 countries. Tetrosyl leads the way in the auto detailing sector with a fine blend of innovation, technology and design.

Research & development is a vital part of our business and is all taken care of in house at our state of the art Technical Centre. Our forward thinking highly experienced chemists continually seek out new innovative chemical blending technology, to ensure our vast knowledge has been packed into the range which contains everything for the detailing connoisseurs whether they are enthusiasts or professionals.

We are proud that all of our chemical products are produced in our manufacturing facilities in the north west of England under strict British Standard quality controls.

CarPlan[®]

N^o1

The formulations in the CarPlan No 1 Range have all been carefully developed and tested in conjunction with professional detailers to combine performance, speed and safety.

No 1 Super Snow is a high active formula which engulfs your vehicle in a rich dense foam that lifts and dissolves dirt and grime allowing them to be washed away safely. The perfect pre-treatment before a contact wash to help prevent scratches and swirl marks.

- ✓ Non-caustic pH neutral
- ✓ Wax & sealant safe
- ✓ Mango Fragrance

Code	Description	Size	Pack Qty	Barcode
CNS200	Snow Foam Car Shampoo	2L	6	5010373142264

No 1 Super Clean effectively breaks down persistent dirt, grime and insect residue with ease. The high foaming pH neutral formula will not strip wax or sealants layers.

- ✓ Wax Free Formula
- ✓ Streak free finish
- ✓ Fresh Orange fragrance

washed away

COLOUR CHANGING TECHNOLOGY

No 1 Super Detox highlights and removes invisible iron oxide deposits clinging to your paintwork, simply spray onto paintwork, glass, rubber, lights, trim, chrome and wait five minutes until the formulation changes to a deep purple colour.

- ✓ Prevents swirl marks and scratches
- ✓ pH neutral formula
- ✓ Prepares paintwork for contact cleaning

Code	Description	Size	Pack Qty	Barcode
CSD600	Iron Oxide-Fallout Remover	600ml	6	5010373083741

CarPlan[®]

N^o1

**SUPER[™]
WHEELS**

No 1 Super Wheels rapidly highlights and eliminates tough contaminants that cling to the wheel surface. The colour turns deep red as it reacts with the surface and dissolves impurities such as iron particles, brake dust, road grime, oils and greases.

- ✓ Vertical cling gel prolongs contact time
- ✓ Intense bleeding action
- ✓ Acid Free pH neutral formula

Code	Description	Size	Pack Qty	Barcode
CNW600	Wheel Cleaner	600ml	6	5010373142219

CarPlan[®]

N^o1

**SUPER[™]
SLIK**

No 1 Super Slik is a wet look tyre dressing containing black pigment, which creates a hydrophobic layer that repels dirt & water. The colour enhancing gel produces a glossy finish on tyres.

- ✓ Protects tyre walls & prevents premature ageing
- ✓ Anti-fling formula
- ✓ Protects against sun fade & UV rays

Code	Description	Size	Pack Qty	Barcode
CNT600	Tyre Dressing	600ml	6	5010373142226

Up To 12 Months Protection

CarPlan[®]

Nº1
